Linda Foster, Principal

Pastor Jon Marx, Superintendent

July 2019

Dear Parents of 7th-12th Grade-

A detailed supply list is very difficult to send. This year we are asking that each student bring the following supplies on the first day of school:

- 2 Reams of white copy paper
- Loose leaf paper
- Pencils (#2 and colored)
- Red, blue and black ink pens
- Flash drive
- Scientific calculator *Geometry students will also need: a compass, protractor and ruler
- 3 Boxes of Kleenex
- 2 Packages of paper plates
- 1 Large package of napkins
- 2 Containers of anti-bacterial wipes

A more detailed list may be required dependent on each teacher's wishes and will be given the first week of school.

Thank you and have a great summer!
